

DAME ALICE OWEN'S SIXTH FORM

DRESS CODE: SMART AND FORMAL OFFICE WEAR

We believe that students should be dressed smartly to support their learning and enable them to be role models to others.

The Sixth Form Dress Code is not meant to inhibit individuality, but to ensure that students are dressed in a way which does not distract from their studies. The Sixth Form Dress Code is also intended to give students guidance as to what is the appropriate manner of dress for interviews and professional life beyond school.

The Dress Code applies throughout the year including during study leave, the exam period and when visiting the school site at any stage.
